Auditor – Usability Survey

Infiniti needs your help to perform Usability testing on our Tax Department Knowledge Management Tool (KMT). We are using this Usability Survey to guide usability testing to determine if we have effectively and efficiently implemented the KMT to satisfy your needs to execute your daily job activities. Our aim has been to design a knowledge management tool that is intuitive, easy-to-use, and that makes you more efficient at your job.

The following pages contain job functions (tasks) for you to perform using the KMT. Please attempt to use the KMT to help you perform each task and then fill out the survey to provide us usability feedback. We will then use this feedback to improve the KMT.

Your Name: ASmith1

Your Role in the Tax Dept: Tax Auditor

193 Blue Ravine Road, Suite 160
Folsom, CA 95630
916.246.2620
